

FORTHEM Collective Short-Term Mobility

Public and Private Bodies in Civic Engagement

Organising university: Lucian Blaga University of Sibiu

Location of the event: ULBS EduHub Sibiu, Romania

Organisers: Office of the Vice-Rector for Students and Community Relations; Student Associations

Project description: This Summer School will be hosted and coordinated by Lucian Blaga University of Sibiu. The participants will have the chance to attend presentations, workshops, field visits and cultural activities related to the topic of the summer school. They will also work in groups on a project that will be presented at the end of the week. The summer school aims to provide students with an opportunity to learn about different aspects of civil society and to develop their own projects using a creative approach. Students who participate in the summer school will learn: what are public and private bodies and how they relate to civic engagement; how to use Design Thinking as a methodology to identify and solve social problems, how to work in teams and present their projects to peers and experts, how to appreciate the cultural diversity and heritage of Sibiu and its surroundings and how to apply their knowledge and skills to real-life situations involving public and private actors.
